Mr. Muro--

We musicians are proud to be a member of your band. We appreciate your continual insisting that we practice and we are proud of the brand new uniforms we sport. We thrilled at the experience of going to Chicago for a week of fun. Yet only time can show your value to us.

We students are proud of your band, too. We look forward to the intricate halftime shows and marvel at the individual showmanship and talent of your members. The precision band you have developed and the concerts you have conducted are greatly enjoyed.

Our community is proud to boast of one of the best bands in the state and it is grateful to you for bringing appreciation of the finer things to its youth.

For this we dedicate our
1959 Torch to you.
